LOVE LOCAL

A delicious meal bursting with flavor doesn't simply begin in the kitchen, it starts in the soil. Our chefs have partnered with a variety of small local farms to ensure our meals feature the finest ingredients available. Below are just a few examples of the local farms we are proud to partner with.

Oak Grove Farms Our supplier of organic produce, this local farm is dedicated to growing sustainable food with a minimal impact on the local environment.

Drake Family Farms Located only 50 miles inland, they supply our goat cheese made from the milk of their award-winning dairy goats.

Di Stefano Cheese Italian cheesemaker Mimmo Bruno was the first artisan to recreate burrata cheese in the United States, now we source our burrata cheese from his local, boutique-style cheese plant.

Many people do not realize the flavor, color, and consistency of honey is determined by the nectar bees collect. We partnered with OC Honey to ensure our guests can enjoy delicious honey varieties they won't find anywhere else."

BANQUET & CATERING TERMS & CONDITIONS

FOOD & BEVERAGE All food and beverage must be purchased exclusively from the Resort, and consumed in designated function areas. The Department of Health prohibits the resort from allowing food to be removed from the function location. No corkage fees are allowed.

GUARANTEES Final menu and event details are to be submitted to your Event Manager or Catering Manager no less than (21) days prior to event dates. If final menu selection is not received by (14) days prior to arrival, the hotel reserves the right to make those selections for you, to ensure availability and staffing. A five-business day advance guarantee of the number of people attending all food functions is required. We will be prepared to set 5% (tables and chairs) over your final guarantee. You will be charged for your guaranteed guest count, or your actual guest attendance, whichever is greater. If you do not provide a guarantee by five business days prior, the “Number Expected” as indicated on the Banquet Event Order will be the final guarantee. Should your guaranteed final attendance be significantly less or more than your tentative count, the hotel reserves the right to move your event to a more suitable location to better serve your guests. For all buffet meal functions with a guarantee of less than twenty-five (25) guests, there will be an increase in menu price of $12 per person for Breakfast, $16 per person for lunch and $20 per person for dinner.

MULTIPLE ENTREES When choosing multiple plated entrées, the entrée with the highest price will apply to all entrée menus. An accurate count of each meal is required five-business days prior to the event. We require that choices be kept to two (2) options, plus a vegetarian option. Should you request your guests be given an option of entrées at the event; a $45 per person surcharge on the highest entrée price will apply.

BARTENDER A bartender charge of $300 plus tax, per bartender, will be charged per 6 hour increments. One bartender is staffed per every 75 guests. Due to California State Liquor Laws, it is required that all guests have valid identification to consume alcoholic beverages. We require that all of your guests carry their identification with them to the function, as they are required to show proof of legal drinking age. The resort reserves the right to refuse service to any guest that may appear to be intoxicated.

CUSTOMIZATION Our culinary team has designed a robust catering menu to accommodate a variety of tastes and events, while highlighting local, seasonal offerings. Please note custom menus or ingredient requests are subject to an additional fee.

CHEF / ATTENDANT FEES If your function requires the use of a Chef or Attendant, One Chef Attendant is required for every 100 guests at a charge of $300 per attendant (plus tax, based upon a two-hour period). The number of chefs will vary, depending on guest count and responsibilities. Sushi Chefs are available at the rate of $450 plus tax, per two-hour period. If additional Chefs or attendants are required, a $300 charge per hour, with a (4) hour minimum will apply. If you request a Chef led dinner or a Sommelier for your event, a charge of $1,200 (plus tax based on a two-hour period will apply). This will be based on availability.

SIGNAGE Any signage on resort property must be pre-approved by the resort prior to posting. General directional signage is provided by hotel to event space. Personalized signage may be brought in with the approval of hotel. Banners and signs will not be allowed in public areas or in the resort’s main lobby. Banners and signs are not permitted to be hung from hotel structures. The posting of any items (posters, signs, etc.) on any function room walls or doors is strictly prohibited. Arrangements can be made for easels, and/or Post-It flipchart paper for use within your designated meeting room. The use of hotel flag poles is not permitted.

DECORATIONS Decorations may not be affixed to walls, ceilings, or doorways. Extra cleaning costs, as a result of damage to equipment or structures, will be applied to your account. Please note there is no rice or confetti allowed in meeting rooms. In addition, colored rose petals may stain carpets, dance floor and walkways. Charges will be assessed if staining occurs.

BANQUET & CATERING TERMS & CONDITIONS

FOOD & BEVERAGE All food and beverage must be purchased exclusively from the Resort, and consumed in designated function areas. The Department of Health prohibits the resort from allowing food to be removed from the function location. No corkage fees are allowed.

GUARANTEES Final menu and event details are to be submitted to your Event Manager or Catering Manager no less than (21) days prior to event dates. If final menu selection is not received by (14) days prior to arrival, the hotel reserves the right to make those selections for you, to ensure availability and staffing. A five-business day advance guarantee of the number of people attending all food functions is required. We will be prepared to set 5% (tables and chairs) over your final guarantee. You will be charged for your guaranteed guest count, or your actual guest attendance, whichever is greater. If you do not provide a guarantee by five business days prior, the “Number Expected” as indicated on the Banquet Event Order will be the final guarantee. Should your guaranteed final attendance be significantly less or more than your tentative count, the hotel reserves the right to move your event to a more suitable location to better serve your guests. For all buffet meal functions with a guarantee of less than twenty-five (25) guests, there will be an increase in menu price of $12 per person for Breakfast, $16 per person for lunch and $20 per person for dinner.

MULTIPLE ENTREES When choosing multiple plated entrées, the entrée with the highest price will apply to all entrée menus. An accurate count of each meal is required five-business days prior to the event. We require that choices be kept to two (2) options, plus a vegetarian option. Should you request your guests be given an option of entrées at the event; a $45 per person surcharge on the highest entrée price will apply.

BARTENDER A bartender charge of $300 plus tax, per bartender, will be charged per 6 hour increments. One bartender is staffed per every 75 guests. Due to California State Liquor Laws, it is required that all guests have valid identification to consume alcoholic beverages. We require that all of your guests carry their identification with them to the function, as they are required to show proof of legal drinking age. The resort reserves the right to refuse service to any guest that may appear to be intoxicated.

CUSTOMIZATION Our culinary team has designed a robust catering menu to accommodate a variety of tastes and events, while highlighting local, seasonal offerings. Please note custom menus or ingredient requests are subject to an additional fee.

CHEF / ATTENDANT FEES If your function requires the use of a Chef or Attendant, One Chef Attendant is required for every 100 guests at a charge of $300 per attendant (plus tax, based upon a two-hour period). The number of chefs will vary, depending on guest count and responsibilities. Sushi Chefs are available at the rate of $450 plus tax, per two-hour period. If additional Chefs or attendants are required, a $300 charge per hour, with a (4) hour minimum will apply. If you request a Chef led dinner or a Sommelier for your event, a charge of $1,200 (plus tax based on a two-hour period will apply). This will be based on availability.

SIGNAGE Any signage on resort property must be pre-approved by the resort prior to posting. General directional signage is provided by hotel to event space. Personalized signage may be brought in with the approval of hotel. Banners and signs will not be allowed in public areas or in the resort’s main lobby. Banners and signs are not permitted to be hung from hotel structures. The posting of any items (posters, signs, etc.) on any function room walls or doors is strictly prohibited. Arrangements can be made for easels, and/or Post-It flipchart paper for use within your designated meeting room. The use of hotel flag poles is not permitted.

DECORATIONS Decorations may not be affixed to walls, ceilings, or doorways. Extra cleaning costs, as a result of damage to equipment or structures, will be applied to your account. Please note there is no rice or confetti allowed in meeting rooms. In addition, colored rose petals may stain carpets, dance floor and walkways. Charges will be assessed if staining occurs.
